Curriculum Vitae

DI ZHU

Department of Geography, Environment and Society — Office: +1.612.625.6080
University of Minnesota, Twin Cities — Cell: +1.612.206.6873
473 Social Science Building, 267, 19th Ave S — dizhu@umn.edu
Minneapolis, MN 55455, USA — https://cla.umn.edu/about/directory/profile/dizhu

Education

Ph.D., Peking University. *Cartology and Geographic Information Science* 2020
Title: Modelling and Analyzing Geospatial Distributions with Artificial Neural Networks.
Advisor: Dr. Yu Liu

B.S., Peking University. *Geographic Information Systems* 2014

B.Ec., Peking University. *Economics* 2014

Positions/Employment

University of Minnesota, Twin Cities

Assistant Professor, Department of Geography, Environment and Society 2021 - Present
(Start date delayed from 2020 fall to 2021 fall due to COVID-19)

Affiliated Faculty, Minnesota Population Center 2021 - Present

Affiliated Faculty, CSE Data Science Initiative 2022 - Present

Scholar, Center for Transportation Studies 2025 - Present

Core Member, Data Science and AI Hub 2025 - Present

University College London

Visiting Lecturer, Civil Environmental & Geomatic Engineering 2018 - 2019

Peking University

Graduate Research Assistant, School of Earth and Space Sciences 2016 - 2020

Graduate Research Assistant, Geosoft Lab 2017 - 2018

Teaching Assistant, School of Earth and Space Sciences 2015 - 2018

Undergraduate Research Assistant, Geosoft Lab 2013

RS, GIS & GPS Practice Intern, School of Earth and Space Sciences 2012

Beijing GeekArt Technology Co. Ltd.

Chief Product Officer 2018- 2020

Beijing LongRuan Technology Co. Ltd

Software Engineer Intern 2015

Current Membership in Professional Organizations

International Association of Chinese Professionals in Geographic Information Sciences (CPGIS)	2017 - Present
Association of American Geographers (AAG)	2019 - Present
ACM Special Interest Group on Spatial Information (ACM SIGSPATIAL)	2022 - Present
University Consortium for Geographic Information Science (UCGIS)	2024 - Present
Association of Collegiate Schools of Planning (ACSP)	2025 - Present

HONORS AND RECOGNITION

(*Underline* - *student advisee awards*)

University of Minnesota

McKnight Land-Grant Professorship	2026
Mentor of Dean's First-Year Research & Creative Scholars (DFRACS), *College of Liberal Arts*	2025

External Sources

Top 20 Global Young Scientist (Finalist), *World Geospatial Developers Conference*	2022
Distinction of Doctoral Thesis, *Peking University*	2020
Excellent Graduates, *Peking University*	2020
China National Scholarship, *Ministry of Education, P. R. China* (CNY30,000)	2019
Early Career Scholarship, *GIS Research United Kingdom*	2019
AAG Travel Award, *Applied Geography Speciality Group* ($250)	2019
Rising Star Award, *College GIS Forum (CGF), China*	2018
Outstanding Student Award, *Peking University*	2018
Presidential Fellowship, *Peking University* (CNY60,000)	2018
Tang Lixin Scholarship, *Peking University* (CNY30,000)	2017
Individual Scholarship for Outstanding Scientific Research, *Peking University*	2015
Longruan Technology Award, Beijing LongRuan Technology (CNY5,000)	2014
Founder Scholarship, *Peking University* (CNY5,000)	2012
54 Scholarship, *Peking University* (CNY1,500)	2011

Advisee Honors and Recognition

Undergraduate Research Opportunities Program (UROP) Award, *Office of Undergraduate Research* (Undergraduate Student Awardee: Mathias Kreuziger)	2026
Waldo Tobler GISS-SG Student Competition, *Geographic Information Science & Systems Specialty Group, Association of American Geographers* (Finalist; Graduate Student Awardee: Meicheng Xiong)	2026
Waldo Tobler GISS-SG Student Competition, *Geographic Information Science & Systems Specialty Group, Association of American Geographers* (2nd place; Graduate Student Awardee: Zhongfu Ma)	2025
Minnesota Student Digital Mapping Competition, *Minnesota Alliance for Geographic*	2025

Education (1st place; K-12 Student Awardee: De-An Chen)
Minnesota GIS/LIS Student Scholarship Award, *MN GIS/LIS Consortium* (Graduate Student Awardee: Meicheng Xiong) 2024
Robert Raskin Student Competition, *Cyberinfrastructure Specialty Group, Association of American Geographers* (2nd place; Graduate Student Awardee: Zhongfu Ma) 2023

RESEARCH, SCHOLARSHIP, AND CREATIVE WORK

Grants, Awards, Gifts, or Endowment Earnings

Awarded (**- internal source, **- external source, # - received at other institutions*)

*** The Structure of Human-Environment Interactions in Cities: Place, Network, and Evolution**
McKnight Land-Grant Professorship, University of Minnesota
PI: Zhu, Di; July 2026-June 2028; Funded Amount: $50,000

**** CTS Scholars, Center for Transportation Studies Operations**
Minnesota Department of Transportation
PI: Zhu, Di; September 2025 – June 2027; Funded Amount: $5,000

*** From Snowfall to Flow: GeoAI for Mobility Network Inference and Safer Winter Roads**
Grant-in-aid of Research, Artistry, and Scholarship program (GIA), University of Minnesota
PI: Zhu, Di; January 2026 - July 2027; Funded Amount: $39,575

*** Partnerships for Sustainable Communities (PSC) Course Grants**
Institute on the Environment, University of Minnesota
PI: Zhu, Di; September 2025 – July 2026; Funded Amount: $2,000

*** Rural Mobility and Access: Leveraging Big Data Analytics and Context-Aware Computing**
CTS Scholars Seed Research, Center for Transportation Studies, University of Minnesota
Co-PI: Zhu, Di, with PI: Ying Song; July 2024 - June 2025; Funded Amount: $74,478

*** Quantifying Carbon Emission Efficiency through the Lens of Human Mobility**
Medium/Large Seed Grant, Data Science Initiatives, University of Minnesota
PI: Zhu, Di; April 2024 - April 2025; Funded Amount: $10,000

*** Sensing Geospatial Communities in Mobility Networks: How Human Movements Drive Dynamic Community Structures within the Twin Cities Metro Area**
Faculty Interactive Research Program, Center for Urban & Regional Affairs (CURA)
PI: Zhu, Di; July 2022 – July 2023; Funded Amount: $43,757

*** A GeoAI-based Model for Human Mobility Flow Generation**
Seed Grants for Social Sciences Research, OFAA, College of Liberal Arts
PI: Zhu, Di; Mar 2023 – June 2024; Funded Amount: $4,250

 # Theoretical and Analytical Methods of Spatial Interaction Networks in Geospatial Big Data
The Major Program of the National Natural Science Foundation of China
Senior Personnel: Zhu, Di, with PI: Yu Liu, Co-PIs: Liyan Xu, Zhou Huang, Lun Wu**;** January 2019 - January 2021

 # Modeling Spatial Heterogeneity and Spatial Interactions From the Big Geo-data Perspective
State Scholarship Fund of China, China Scholarship Council
PI: Zhu, Di; October 2018 - September 2019

Pending/Submitted **(**- internal source, **- external souce*)**

****A Cross-Scale Representation Approach to Sociodemographic Change-of-Support Problem**
Methodology, Measurement, and Statistics (MMS), National Science Foundation
PI: Zhu, Di; September 2026 - August 2029; Requested Amount: $475,561

****Zone2Street: Mapping Post-Snowfall Travel Demand and Local Mobility via Geospatial AI**
Local Road Research Board (LRRB) Knowledge Building Priority, Minnesota Department of Transportation
PI: Zhu, Di; July 2027 - June 2029; Requested Amount: ~ $175,000

****Identifying Residential Density Thresholds to Promote Multimodal Transportation in the Greater Twin Cities region**
Applied Research in Transportation (ART), Minnesota Department of Transportation
Co-PI: Zhu, Di, with PI: Jason Cao; July 2026 - June 2027; Requested Amount: $100,000

****World Models for Planetary Memory: Archives as Sensors of Climate Change**
Humanities and Artificial Intelligence Virtual Institute (HAVI), Schmidt Sciences
Co-PI: Zhu, Di, with PI: James Lee, Co-PIs: Rayvon Fouche, Han Liu, Kelsey Rydland, Yilun Du; September 2026 - August 2029; Requested Amount: $781,832

*** Mitigating Extreme Heat in Urban Systems: Integrating microclimate modeling, spatiotemporal data, and graph neural networks**
The University of Minnesota – Seoul National University Partnership Research Seed Grants, University of Minnesota
PI: Zhu, Di, with Co-PI: Steven Jige Quan; June 2026 - June 2027; Requested Amount: $40,000

Publications

Invited Presentations at Colloquia and Seminars

Zhu, D., "Spatial Networks and AI for Social Sensing", Geospatial Data Science Seminar, Department of Geography, University of Wisconsin-Madison. (Apr 10, 2026). *Invited*

Zhu, D., "Spatial Networks & GeoAI for Urban Social Sensing", GIS Speaker Series, University of Minnesota, Twin Cities. (Feb 19, 2026). *Invited*

Zhu, D., "Spatial Network and Panel Perspective in GeoAI", Workshop on Critical Challenges of GeoAI, Spatial Analysis Research Center (SPARC), Arizona State University. (Feb 8, 2026). *Invited*

Zhu, D., "Geospatial Data Intelligence for Spatial Prediction", Urban Informatics Series, Department of Urban Informatics, Shenzhen University. (May 16, 2024). *Invited*

Zhu, D., "Geospatial Data Intelligence for Human-Environment Systems ", Data Management Lab, Department of Computer Science and Engineering, University of Minnesota. (May 22, 2024). *Invited.*

Zhu, D., "Intelligent Spatial Prediction and Interpolation Methods ", GeoAI Solutions for Sustainable Development: The Handbook of Geospatial Artificial Intelligence (GeoAI)', AI for Good webinar, International Telecommunication Union (ITU),

United Nations (Feb 23, 2024). *Invited*.

Zhu, D. "Geospatial Data Intelligence for Social Sensing", Coffee Hour Lecture Series, Department of Geography, Environment, and Society, University of Minnesota, Twin Cities. (Nov 9, 2023). *Invited.*

Zhu, D. "Geospatial Artificial Intelligence", Series webinar on Urban Science, Swarma Club. (Aug 5, 2023). *Invited*

Zhu, D. "The overlapping community structure and collective flow evolution pattern in urban mobility networks", Department of Intelligent Engineering, Sun Yat-Sen University. (Jul 4, 2023). *Invited*

Zhu, D. "The overlapping community structure and collective flow evolution pattern in urban mobility networks", Department of Geography, Northeast Normal University. (Jun 30, 2023). *Invited*

Zhu, D. "The overlapping community structure and collective flow evolution pattern in urban mobility networks", Department of Geography, Beijing Normal University. (Jun 28, 2023). *Invited*

Zhu, D. "The overlapping community structure and collective flow evolution pattern in urban mobility networks", School of Earth and Space Science, Peking University. (Jun 27, 2023). *Invited*

Zhu, D. "The overlapping community structure and collective flow evolution pattern in urban mobility networks", Institute of Geographic Sciences and Natural Resources Research, Chinese Academy of Science. (Jun 26, 2023). *Invited*

Zhu, D. "The overlapping community structure and collective flow evolution pattern in urban mobility networks", Department of Geoscience and Information Physics, Central South University. (Jun 25, 2023). *Invited*

Zhu, D. "How human movements drive complex and dynamic community structures within the Twin Cities Metro", Minnesota Compass, Amherst H. Wilder Foundation. (Apr 5, 2023). *Invited*.

Zhu, D. "Revealing the flow patterns underlying spatial distribution snapshots", Humanistic GIS Lab, Department of Geography, University of Washington, Seattle. (Oct 31, 2022). *Invited*.

Zhu, D. "Network-based GeoAI analytics," Research Seminar at the Chair of Cartography and Visual Analytics, School of Engineering and Design/Department of Aerospace and Geodesy, Technical University Munich. (Jul 21, 2022). *Invited*.

Zhu, D. "Intelligent spatial prediction in incomplete-data scenarios," GeoAI Research Seminar Discussion Knowledge Computing Lab, Department of Computer Science & Engineering, University of Minnesota. (Dec 16, 2021). *Invited*.

Zhu, D. "Inferring spatial interaction pattern from spatial distribution snapshots," China Data Lab 2021 Workflow Webinar, Wuhan University & Harvard University. (Jun 18, 2021). *Invited*.

Zhu, D. "Intelligent spatial understanding: representation, modeling and prediction,"

CPGIS 2021 GeoAI Seminar Series, China University of Geosciences. (May 9, 2021). *Invited*.

Zhu, D. "Linkages between Spatial Regression and Graph Neural Networks," The 5th GIScience Symposium, Peking University, Beijing Normal University, and Chinese Academy of Science. (Apr 17, 2021). *Invited*.

Zhu, D. "Inferring national migration flows from sequential population snapshots," Geospatial Seminar, Department of Civil Environmental & Geomatic Engineering, University College London. (Feb 21, 2019). *Invited*

Guest Lecture

Zhu, D., "Spatial Networks and GeoAI for Urban Social Sensing", ARCH 5721: Future Cities as a Frontier of Urban Design, College of Design, University of Minnesota, Twin Cities. (Apr 28, 2026).

Zhu, D. "Human & Environment Interaction in Cities: Place, Network, and Evolution", GEOG 8001: Problems in Geographic Thought, University of Minnesota, Twin Cities. (Sep 22, 2025).

Zhu, D. "When GeoAI meets Human Environment", GEOG 8001: Problems in Geographic Thought, University of Minnesota, Twin Cities. (Nov 14, 2024).

Zhu, D. "Artificial Intelligence + Geospatial", GEOG 8001: Problems in Geographic Thought, University of Minnesota, Twin Cities. (Nov 30, 2023).

Zhu, D. "Intelligent Sensing of Urban Space in Street Perspective," Intelligent Transportation Systems, Institute of Remote Sensing and GIS, Peking University. (Oct 17, 2017).

Posters or Exhibitions

Wang, S., & **Zhu, D.*** (2025). A Deep Origin-Destination Flow Imputation Model Informed by the Visitation Law in Human Mobility. Poster Exhibition In *The 33rd ACM International Conference on Advances in Geographic Information Systems* (SIGSPATIAL '25), Nov., Minneapolis, MN, US. (Nov. 5, 2025)

Xiong, M., **Zhu, D.***, Van Riper, D., "A visitor-enriched census in the U.S. cities using large-scale mobile positioning data", Research Computing Exhibition, Minnesota Supercomputing Institute, University of Minnesota, Twin Cities, Minneapolis, MN, US (Apr. 24, 2025)

Zhu, D.* "About spatial heterogeneity patterns," Academic Star Competition, School of Earth and Space Sciences, Peking University, Feb., Beijing, China (Feb 26, 2017)

TEACHING

University of Minnesota

GEOG 3531/5531 Principles of Spatial Analysis 2025 - Present
Fall 2025, Spring 2026

GEOG 3531/5531 Numerical Spatial Analysis 2021 - 2025
Fall 2021, Spring 2022, Fall 2022, Fall 2023, Spring 2025

GEOG 3561/5561 Principles of GIS 2026
Spring 2026

Xiaohuan Zeng, *Geography PhD Preliminary*	Committee member	2025
Youssef Hussein, *CSE PhD Preliminary*	Committee member	2025
Mohamed Hemdan, *CSE PhD Preliminary*	Committee member	2025
Mohsen Ahmadkhani, *Geography PhD Preliminary*	Committee member	2022
Zekun Li, *CSE PhD Preliminary*	Committee member	2022

Doctoral Final Committee

Tianyi Li, *CEGE PhD Defense*	Committee member	2024
Mohsen Ahmadkhani, *Geography PhD Defense*	Committee member	2024
Zekun Li, *CSE PhD Defense*	Committee member	2026
Xiaohuan Zeng, *Geography PhD Defense*	Committee member	2026

Masters Thesis/Research Committee

Dale Thuftedal, *Geography MA Defense*	Committee chair	2026
Tiansheng Tan, *Geography MA Defense*	Committee member	2025
Xiaohuan Zeng, *Geography MA Defense*	Committee member	2022 - 2023
Nithya Murikinati, *Data Science, MS Defense*	Committee member	2025

Other Advising Activities

Ankila Kumari, *Master of GIS*	Career Advising	2025
Shuxin Yu, *Undergrad in Biology, Society & Environment*	Career Advising	2025
Zain Ul Abdin Siyal, *Master of GIS*	Career Advising	2024
Peng Luo, *PhD, Massachusetts Institute of Technology*	Peer Mentoring	2023-2026
Tongxin Chen, *PhD*, *University College London*	Peer Mentoring	2020-2024
Yi Wang, *PhD, Peking University*	Peer Mentoring	2023-2025
Tianyi Li, *PhD, University of Minnesota*	Peer Mentoring	2023-2025

Undergraduate Student Activities

DFRACS (Dean's First-Year Research & Creative Scholars)

Shawn Li, *Mathematics*	DFRACS Mentor	2025 - 2026
Ryan Mitchell, *Biology, Society & Environment*	DFRACS Mentor	2025 - 2026
Mathias Kreuziger, *Biology, Society & Environment*	DFRACS Mentor	2024 - 2025
Sumeiya Mohamed, *Computer Science*	DFRACS Mentor	2024 - 2025

UROP (Undergraduate Research Opportunities Program)

Mathias Kreuziger, *Biology, Society & Environment*	UROP Mentor	2026

(Mathias' project: "Examining Isolation and Human Mobility on Minnesota's Native American Reservations" received the UROP award in 2025)

K-12 Student Activities

Advising Activities

De-An Chen, *St. Paul Academy and Summit School* — Research Mentoring — 2025 - 2026
De-An won First Place out of 126 entries in the Minnesota Student Digital Mapping Competition, hosted by the Minnesota Alliance for Geographic Education (MAGE)

SERVICE AND PUBLIC OUTREACH

Service to the Discipline/Profession/Interdisciplinary Area(s)

Editorship/Guest Editorship

Associate Editor	*Computational Urban Science*	2025 - Present
Editorial Board	*Humanities and Social Sciences Communications*	2025 - Present
Guest Editor	*Annals of GIS*	2026
Guest Editor	*ISPRS International Journal of Geo-Information*	2026
Guest Editor	*Computational Urban Science*	2024 - 2025
Guest Editor	*Frontiers in Environmental Science*	2022
Guest Editor	*Remote Sensing*	2022

Organization of Conferences, Workshops, Panels, Symposia

The 34th ACM SIGSPATIAL International Conference on Advances in Geographic Information Systems (SIGSPATIAL' 26)	Local chair (outgoing)	2026
The CaGIS 2026 Conference	PC Member	2026
The 9th International Workshop on AI for Geographic Knowledge Discovery (GeoAI'26)	PC Chair	2025
AAG 2026 Symposium on Spatial AI and Data Science	PC Member	2026
AAG 2026 Symposium on Spatial AI and Data Science: AI and Spatial Networks	Session Chair	2026
AAG 2026 Symposium on GeoAI and Deep Learning: GeoAI for Spatial Analytics and Modeling	Session Chair	2026

AAG 2026: Geographic Principles on Spatial Analysis and Modeling	Session Co-Organizer	2026
Institute for Geospatial Understanding through an Integrative Discovery Environment Forum 2026 (I-GUIDE'26)	PC Member	2026
The 1st International Conference on Geospatial Artificial Intelligence (GeoAI 2026)	PC Member	2026
The 33rd ACM SIGSPATIAL International Conference on Advances in Geographic Information Systems (SIGSPATIAL' 25)	Local chair	2025
The 8th International Workshop on AI for Geographic Knowledge Discovery (GeoAI'25)	PC Chair	2025
AAG 2025 Symposium on GeoAI and Deep Learning: GeoAI for Spatial Analytics and Modeling,	Session Chair	2025
Geo for AI vs. AI for Geo, International Symposium on Spatiotemporal Data Science: GeoAI for Social Sciences (ISSDS 2024)	Panel Chair	2024
Institute for Geospatial Understanding through an Integrative Discovery Environment Forum 2024 (I-GUIDE'24)	PC Member	2024
The 7th International Workshop on AI for Geographic Knowledge Discovery (GeoAI'24)	PC Chair	2024
AAG 2024 Symposium on GeoAI and Deep Learning: GeoAI for Spatial Analytics and Modeling	Session Chair	2024
The 2024 International Symposium on Spatiotemporal Data Science (ISSDS 2024)	PC Member	2024
The 30th International Conference on GeoInformatics (GeoInformatics'23)	PC Member	2023
The 2nd International Workshop on Geospatial Knowledge Graphs and GeoAI: Methods, Models, and Resources (GeoKG & GeoAI 2023)	PC Member	2023
Institute for Geospatial Understanding through an Integrative Discovery Environment Forum 2023 (I-GUIDE'23)	PC Member	2023
AAG 2022 Symposium on Data-Intensive Geospatial Understanding: Intelligent Geospatial Analytics	Session Chair	2022
The 28th Geographical Information Science Research UK Conference (GISRUK'20)	Session Chair	2020

The 5th International Workshop on AI for Geographic Knowledge Discovery (GeoAI'22)	PC Member	2022
The 4th International Workshop on AI for Geographic Knowledge Discovery (GeoAI'21)	PC Member	2021
The 3rd International Workshop on AI for Geographic Knowledge Discovery (GeoAI'19)	PC Member	2019

Service to the University/College/Department

Department

Member, Merit Committee	2025 - 2026
Member, Admissions Committee	2022 - 2024
Member, Awards Committee	2022 - 2024
Member, Graduate Education Policy Committee	2022 - 2023
Member, Coffee Hour Committee	2022 - 2023
Member, Undergraduate Education Policy Committee	2021, 2025, 2026

College

Member, CLA Assembly	2026 - 2028

University

Member, Executive Committee, Master of GIS (MGIS) Program	2022 - Present
Member, Center for Transportation Studies	2024 - Present

Public and External Service

Member, Research Committee, University Consortium for Geographic Information Science (UCGIS)	2026 - Present
Member, Conference Site Selection Committee, International Association of Chinese Professionals in Geographic Information Sciences (CPGIS)	2024 - Present
Member, Career Development Committee, International Association of Chinese Professionals in Geographic Information Sciences (CPGIS)	2022 - Present
Judge, John Odland Student Competition of Spatial Analysis & Modeling (SAM) Specialty Group at Association of American Geographers (AAG)	2025, 2026
Judge, MinneMudac Student Data Science Competition, MinneAnalytics	2025
Member, Election Committee, International Association of Chinese Professionals in Geographic Information Sciences (CPGIS)	2024, 2025
BOD Member, International Association of Chinese Professionals in Geographic Information Sciences (CPGIS)	2023 - 2025
